Why Do We Do That? - Catholic Life Explained

Question: My friend has never heard of Christ and I want to share the Gospel with her but I'm afraid to. How do I share my faith?

Answer:

There are a lot of ways to bring up the topic of religion, without being judgmental or pushy. Begin by asking what her thoughts are about religion, or what her experience was growing up. Finding common ground is often easier than you think, because the questions and problems we have about God, the presence of evil, our purpose in life, and our relationship with God are universal concerns.

Why are you afraid? If you do not want to insult or offend someone, don't be pushy or judgmental. If you are uncertain about how to explain your own faith, do a little reading or practice with a friend. If you measure success only by this person converting, focus your attention more on beginning the conversation, not on bringing it to a perfect close! Faith is a journey of many acts of belief, many discussions about God, and many choices about how we practice what we preach. In some we will have great success; in others we will need forgiveness and perseverance. The most important thing to keep in mind is that the Holy Spirit is always at work and our most humble efforts can bear great fruit. Have faith in God because he has faith in you! ©LPI

22ND SUNDAY IN ORDINARY TIME

He summoned the crowd again and said to them, "Hear me, all of you, and understand. Nothing that enters one from outside can defile that person; but the things that come out from within are what defile." - Mk 7:14-15

Kneelers in the Parish Center

As you may have noticed that we have placed a few RED chairs in the parish center that have kneelers. For others who wish to kneel during Mass, you may sit there or we have kneeling pads in the entryway that you can use during Mass. If using the kneeling pads, during communion time we ask that you put the kneeling pad under your chair to prevent anyone from tripping.

Biking For Babies Update

This note was received by Aubrie Faust. Thank you. I am truly grateful for your support of Biking for Babies this year. I am so excited for all that we have accomplished in rebuilding the culture of life in America.

This year as an organization we have...

- Raised \$226,511.
- Partnered with 42 pregnancy resource centers across the country.
- Biked over 2,700 miles between four teams on our National Ride.

My Biking for Babies journey this year was full of joy and blessings. Please know that I felt your prayers and that I prayed for you as well over the 682 miles we biked this year! Because of your generosity, I was able to raise over \$5,000 which will go to support women in unplanned pregnancies by providing material resources, counseling, and medical care. Thank you for supporting this good work!
