*Intensely Catholic - Intensely Eucharistic*

## From the Pastor's Desk

Dear Parishioners of St. Mary of the Hill,

I want to take this opportunity to thank you again for your incredible generosity for our new church. I am so blessed to be your pastor and leading such a wonderful community. Since July 1st, we have raised in cash donations and pledges over \$550,000! This is in addition to what you contributed to the Love One Another Campaign, the proceeds of which also go toward building our new church. The building committee is working diligently to get the building costs down to help us afford to build with a roughed in basement. More to come on that in the near future.

Just as a reminder, we are building this new church because the Archbishop mandated back in 2018 that we create a dedicated space in which to worship our Lord. Our alternatives: build a new worship space, remodel our current worship space and build a small fellowship space or move to Monches. The parishioners of St. Mary of the Hill voted overwhelmingly to stay at our present location. So, thank you again for your generosity. We are up to nearly 500 families in our parish and our new space will help us accommodate this growth! We will continue to keep you informed every step along the way of this wonderful journey. If all goes well we hope to celebrate our first Mass in the new church on Christmas Eve 2025.

Which reminds me... Catholics around the world will honor St. Thérèse of the Child Jesus, (or St. Thérèse of Lisieux) in a special way in 2025 because it marks the 100th Anniversary of her canonization by Pope Pius XI in 1925! Marie Françoise Thérèse Martin was born January 2, 1873 in Alençon, France to Louis and Zélie Martin, both of whom were canonized saints together as husband and wife on October 16, 2015. I had the great privilege of con-celebrating the Canonization Mass in Rome!

Her mother died when she was four, leaving her father and older sisters to raise her. Early on Christmas morning, following Mid-night Mass, 1886, Thérèse had a profound

experience of intimate union with God, which she described as a "complete conversion." Almost a year later, in a papal audience during a pilgrimage to Rome she asked for permission from Pope Leo XIII to enter the Carmelite Monastery at the young age of 15! The permission was granted. She received the name "Sister Thérèse of the Child Jesus;" (she herself would later request that "of the Holy Face" be added to her religious name.) As a Carmelite Nun Thérèse devoted herself to living a life of holiness, doing all things with love and childlike trust in God. She struggled with life in the convent, but decided to make an effort to be charitable to all, especially those she didn't like. She performed little acts of charity always, and little sacrifices not caring how unimportant they seemed. These acts helped her come to a deeper understanding of her vocation.

She wrote in her autobiography that she had always dreamed of being a missionary, an Apostle, a martyr – yet she was a nun in a quiet cloister in France. How could she fulfill these longings? "Charity gave me the key to my vocation. I understood that the Church had a Heart and that this Heart was burning with love. I knew that one love drove the members of the Church to action, that if this love were extinguished, the apostles would have proclaimed the Gospel no longer, the martyrs would have shed their blood no more. I understood that Love comprised all vocations, that Love was everything, that it embraced all times and places...in a word, that it was eternal! Then in the excess of my delirious joy, I cried out: O Jesus, my Love...my vocation, at last I have found it...My vocation is Love!"

Thérèse offered herself as a sacrificial victim to the merciful Love of God on June 9, 1895, the feast of the Most Holy Trinity and the following year, on the night between Holy Thursday and Good Friday, she noticed the first symptoms of Tuberculosis, the illness which would lead to her death. Thérèse recognized in her illness the mysterious visitation of the divine Spouse and welcomed the suffering as an answer to her offering the previous year. She also began to undergo a terrible trial of faith which lasted until her death a year and a half later. "Her last words, 'My God, I love you,' are the seal of her life," said Pope John Paul II.

Since her death, millions have been inspired by her 'little way' of loving God and neighbor. Many miracles have been attributed to her intercession. She had predicted during her earthly life that "My Heaven will be spent doing good on Earth."

Saint Thérèse was proclaimed a Doctor of the Church by Pope John Paul II in 1997 - 100 years after her death at the age of 24. St. Thérèse wrote: You know well enough that Our Lord does not look so much at the greatness of our actions, nor even at their difficulty, but at the love with which we do them."

Wishing all of you a wonderful Thanksgiving and a Christmas filled with grace and peace!

Immaculate Conception

### What Is The Immaculate Conception?

The Church teaches that Mary was conceived without original sin. This means that from the first moment of her existence, Mary was full of grace, that is, free of any alienation from God. In anticipation of her son's death and resurrection, Mary was graced with this divine favor because of her central role in God's plan of salvation. Mary, the most blessed of all humans, is our example of how to open our hearts to God's will. With this in mind, we will celebrate the Immaculate Conception Mass at 6pm on Thursday, December 8th. **This is a Holy Day of Obligation this year.**

### All Saints Trunk or Treat Mass

**Sunday October 29th**

**Dress as a Saint for Mass at 9:30**

# Family Faith Corner

## Looking Back

**Family Focus Sunday**—Family Faith Formation is underway. We have 31 families in the program that is a total of 57 students enrolled in the program this year! We have a great group of Catechists who were commissioned on the first day of class, Sunday, September 24th. We are off to a great start. This year the upper grades will be consecrating their classes to Mary Mother of Vocations by saying the Memorare each class. They continue to learn about a new saint each week from different countries (ask your student about them). This year we will begin to incorporate Theology of the Body in the classroom through age appropriate catechesis on Who We Are, made in the image and likeness of God, and the Dignity we have, as His sons and daughters. Our first Youth Mass and Family Focus Sunday took place Sunday, October 8, 2023. We made saint cards for the homebound. A special thank you to the students from different grades for participating our first Youth Mass of the Family Faith Formation year!

**Mark your calendars for these important dates and watch for more information to come!**
