

Service through the **WORKS OF MERCY**

Jesus tells us He came to serve, not to be served. As you prepare for Confirmation, unite yourself to the service of Christ. A model the Church gives us for service are the Corporal Works of Mercy. We are also called to take an active part in the celebration of the Eucharist. Please list one way in each of the 7 categories which you have given generously of yourself as you prepare to receive the Sacrament of Confirmation. These should be a combination of service within the family, parish, and larger community.

Completed sheet is due March 21st 2024.
