Intensely Catholic - Intensely Eucharistic

## From the Pastor's Desk

Dear Parishioners,

You should be receiving this sometime before Holy Week but I'm writing on Mardi Gras (Fat Tuesday), the day before Ash Wednesday. It was so good to see so many of you at our celebration at the Hartford Town Hall!

Did you know that Pope Francis declared 2024 as a "Year of Prayer?" Pope Francis announced the start of a Year of Prayer in preparation for the Catholic Church's 2025 Jubilee Year.

*In his Angelus address, the pope said that a Year of Prayer - which started on Jan. 21 - will be "a year dedicated to rediscovering the great value and absolute need for prayer in one's personal life, in the life of the Church, and in the world." "Dear brothers and sisters, the coming months will lead us to the opening of the Holy Door, with which we will begin the jubilee," Pope Francis said from the window of the Apostolic Palace. "I ask you to intensify your prayer to prepare us to live this event of grace well and to experience the power of God's hope. That is why today we begin a Year of Prayer."*

The pope said that the Vatican's Dicastery for Evangelization will publish resources to help Catholic communities to more fully participate in the Year of Prayer. The Holy See Press Office has also announced that a press conference on the Year of Prayer will take place on Jan. 23. The Vatican and the city of Rome are expecting an estimated 35 million people to flock to the Eternal City for the 2025 Jubilee Year of Hope — the first ordinary jubilee since the Great Jubilee of 2000.

A jubilee is a special holy year of grace and pilgrimage in the Catholic Church. It typically takes place once every 25 years, though the pope can call for extraordinary jubilee years more often, such as in the case of the 2016 Year of Mercy or the 2013 Year of Faith. The 2025 Jubilee Year begins on Dec. 24, 2024 (Christmas Eve), and concludes on Jan. 6, 2026. So, it looks like our new church will be opening during the Jubilee Year, what a great blessing for us and our parish! 2025 also marks the 100th Anniversary of the canonization of St.

Therese, the "Little Flower," another significant event in the life of our Parish.

Speaking of our new church I would like to share this update concerning our project from Dick Clement our Building Committee Chair...

*"We continue to work on designing our new church with things changing almost daily. Late last year we hired Groth Design Group as our architect to help us design our new church. This is a different architect that we have worked with to date. Groth has been designing worship spaces for 30 years and has designed over 70 Catholic churches. Their work and their team are quite impressive and we are excited to be working with them. Since last November, our Design committee has been meeting with the architect to conceptualize what our new church will look like. This is an iterative process with the architect first learning how we worship, then soliciting ideas from the Design and Building Committees. The architect then proposes ideas for the church which are reviewed by the committees and feedback is given. We should have new renderings to show the parish in early March. The new concepts utilize our view of Holy Hill and incorporate your feedback wherever possible. I am very excited with the direction we are going with the new church and continue to be thankful for your generosity and the countless volunteer hours that go into making this project possible. Thank you!"*

Finally I want to share a brief essay I received from one of our First Communion candidates, 8 year old Luke Davies, entitled **Go to Church...**

*"Have you talked to God lately? If not you should go to church. My opinion is everyone should go to church once a week. It's your special time with God. You can pray. It is a time to ask for help and forgiveness. Another reason is to get closer to God. You can receive the Eucharist which is Jesus! Body and blood. The last reason is to praise God by singing and living the Gospel. By going to Mass you will know, love, and serve God. When it is all over you get donuts and milk while visiting with friends. These are my reasons for going to church every Sunday." -Luke*

Thank you Luke for your insightful essay. It makes a good reflection for Lent!

Our Easter Vigil will be held March 30th at 8:00PM in the Basilica. We are privileged to have several Baptisms and Confirmations this year. Welcome to St. Mary of the Hill Parish!

God bless you all and my prayers are with you for a Blessed Holy Week and an Easter filled with joy.

Fr Jude, O.C.D.

## Meet Our Parish Council Nominees

My name is Rodney Tillman. My wife, Sue and I have been members of St. Mary of the Hill Parish since 2000. I completed the RCIA program and was confirmed into the Catholic faith in 2012. Since my retirement from Piggly Wiggly in Hartford as an assistant manager in 2020, I have been spending time with our grandkids and visiting out-of-state family members. I have volunteered for the Holy Hill Arts and Craft fair as well as the St. Mary Antique and Flea Market. I would be honored to be a member of the Pastoral Council.

Thank you, Rodney

My name is Patrick Madden. I have been a member of St. Mary of the Hill for about 12 years. I received my first communion here as a child, and later went through RCIA and was confirmed. I married my high school sweetheart, Jacqui, in 2014 at Holy Hill. We have three children and live in Erin. I recently became one of the Knights of Columbus up at Holy Hill and have been feeling the call to serve on the parish council. I would be honored to do this for our parish community.

Sincerely, Patrick

## ***Bike Blessing***

St. Mary of the Hill Parish will sponsor a Spring Bike Blessing for all motorcycles on Saturday, May 11 at 11 am in the parish parking lot. The plan is to host this event every year with this year being our first. Father Jude will be blessing all bikes in our parish parking lot. There will also be a Brat Fry with proceeds going to the building of our New Church.

Volunteers are needed to help make this event a success. If you can volunteer, donate or provide ideas please contact Mary Grosel, communication coordinator at 262-227-8409 or email [communication@stmaryhh.org](mailto:communication@stmaryhh.org).

This will be fun for all!

## ***A huge thank you for your generosity!***

Thank you to all who donated to the Winter Drive for Karl's Place and the Holy Hill Hispanic Community. Your generosity is overwhelming! May God reward you!

Pictured is Fr. Celedonio with your many contributions for those in need in the Hispanic community.

## ***All Saints Meal Program Update***

The All Saints Meal Program is currently serving 100 people! We still cannot provide the food but they definitely need volunteers to help serve. We would like to have 5-6 volunteers go to All Saint's on March 28 & April 25 by 3:15pm to prep and serve meals for about 3 hours. If you could serve that day, please sign up in the entryway or contact Nancy & Bill Preston at [wnpreston@gmail.com](mailto:wnpreston@gmail.com) or call 262-673-7723 to volunteer. We will try to carpool as much as possible. Thank you.

## ***Human Concerns***

In the mid 1960's California's branch of Planned Parenthood outlined its future goals. The main goal was to legalize abortion, however it believed that achieving this would be the struggle of a few decades. Yet in 1973 abortion was legalized. The culture of death rejoiced.

Along with abortion, euthanasia became seen as a right for people to choose. It allowed terminally ill people to end their lives "on their terms." This has been expanded in Canada now allowing ending the lives of the mentally ill as well. This is after Canadian Parliament ruled that death does not need to be "reasonably foreseeable" to qualify for assisted suicide.

Based on the Canadian law, nearly anyone with disabilities or a chronic medical condition qualifies for euthanasia. Now the homeless, poor, and disabled are seeking assisted suicide. Currently one quarter of Canadian citizens believe that the poor and homeless be allowed this choice.

An odd group of allies are against this proposal. The United Nations, NPR and the Catholic Right to Life groups are together on condemning this. How long will this alliance stand before this idea takes root throughout the world? In Canada ending the lives of the mentally ill is on hold because there aren't enough doctors willing to participate, just like in the early days of abortion. Padre Pio, facing evil, would proclaim: "Bring me my weapon," and pull out his rosary. Perhaps we can pull out our weapon this Lent and confront evil.

## L@@king Back

**Popcorn & a Movie**—Our January sledding event was switched over to popcorn and a movie due to the frigid temperatures. We showed The Prince of Egypt. If you haven't seen it, it would be a great movie to watch during Lent with your family.

**February Family Focus**—Our February Activity was making Valentine cards for our homebound parishioners. Many of those who have received cards in the past contact us and tell us how much it meant to them that we remember them. You are doing a Corporal Work of Mercy by physically sending cards to the homebound and a Spiritual Work of Mercy by praying for the homebound person.

**RCIA & Adult Confirmation** —This upcoming Easter Vigil we have 2 adults who are preparing for full Communion into the Catholic Faith. They are Chrystal Carney and Alexandra Neish. These are our “candidates.” We are excited to also have 3 children preparing to enter into the Catholic Church: Grayson Carney, Jack Carney and Myles Perleberg. Since Grayson, Jack, and Myles have not been Baptized, they are “catechumens.” All our catechumens and candidates went to the Cathedral of St. John the Evangelist on Sunday, February 18th in which they participated in the Rite of Election and Call to Continued Conversion. In addition to those entering the Faith, we have 4 Catholic adults receiving Confirmation this year as well. They are Kyle Carney, Mike Gerek, Andrea Grosser, & Bradley Bonneau. Please keep all our Candidates for Full Communion, our Catechumens, and our Candidates for Adult Confirmation in your prayers as they continue to journey towards the fullness of the Faith.

## L@@king Ahead

### **Lenten Family Activities— Prayer, Fasting & Alms Giving**

Make time to go through Lent as a family, whether it is daily (praying a decade of the Rosary as a family), once a week (attending an extra Mass or Adoration) or sometime during Lent (Catholic Youth Rally or Retreat). Working together will help you stick with it. I guarantee by the end of Lent, your family will complain less and even look forward to these activities. Pray for the strength to begin and persevere together. For more ideas or resources please contact Melinda or Grace Marie in the Faith Formation Office.

Prayer	Fasting	Almsgiving
Attend an extra Mass	Turn off TV	Go through old clothes & toys and donate
Spend time in Adoration	Stay off Social Media	Sign up to serve at All Saints on Thursdays or do an extra chore w/out being asked
Pray a Rosary as a family (car rides to sporting activities are a great time to pray together)	Turn off regular TV and turn on the Chosen Series or Saint Movie	Choose a charity to donate your allowance
Pray the Stations of the Cross as a Family	Have a phone/tablet free night	Visit someone who needs company

**Wisconsin Catholic Youth Rally**—Calling all 6th-12th Grade Students. Join us on Saturday, March 16th at Carroll University. It is a powerful day retreat for the Youth full of speakers, music, Adoration, Mass and more. This year's speakers are Kris Frank and Bishop Schuerman with music by the Scally Brothers. All students in our Family Faith Formation should attend this event. The cost per student is only \$20 and includes transportation to and from the event and lunch. We challenge you, since it is Lent, to do something out of your comfort zone to deepen your faith. Try it, you might like it. Sign up by March 3rd!

**Living Stations of the Cross**— Due to the overwhelming response we received last year after our youth portrayed the Living Stations of the Cross, we decided to do it again this Palm Sunday! If your youth are interested in participating, please sign up with Grace Marie at [ym@stmaryhh.org](mailto:ym@stmaryhh.org) or in the entry way until March 3rd. There will be 1 or 2 practices during the month of March. Living Stations will be held after Mass on Sunday, March 24, 2024, following the 9:30am Mass.

**Praying for Our First Communicants**—During April we will be placing prayer cards in the front entry way for parishioners to take and pray for our 2nd Graders as they make the final preparations to receive Jesus in the Most Blessed Sacrament.

## Meet Some of Our 2024 Confirmation Class

Please support them with your prayers!

This is a little bit about Ron Suchacki: I did gymnastics all my childhood until I got into high school because then I changed by focus to football. I always wanted to play football but I didn't have much time because of gymnastics being an all year round sport. My family has a little cabin up north where I can see my cousins because they are far from here and I don't see them

that often. I want to get Confirmed because I want to be closer to God and have him be a bigger part in my life.

Hello! My name is Kateri Rose Urlakis. I am 17 and a junior in high school. I am a homeschooler through the Greater Milwaukee Catholic Home Educators group. Outside of my study time, I help out on our growing family farm, but find time to also enjoy embroidery, knitting, reading, drawing, attending daily Mass, hanging out with friends, and attending both parish and homeschool groups. I am part of "Voices of the Holy Innocents," a Pro-Life group for

Catholic Highschoolers. A few years ago I was honored to join a class that was preparing to receive the Sacrament of Confirmation on the Rosebud Native American Reservation in South Dakota. Although I had preparation before I was Confirmed, I chose to join this Confirmation group because I not only wish to grow more in my faith but also have the chance to discuss Confirmation related topics with a group of teens my age. I want to grow more in my journey of faith alongside them.

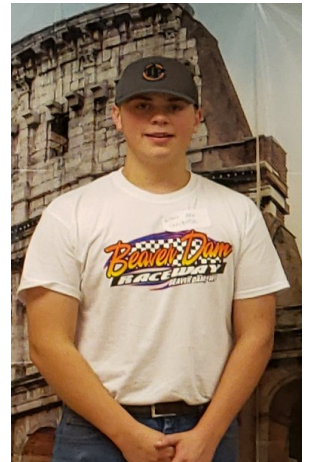

Hi my name is Zachary Groszczyk I'm 18 and I go to Pewaukee High school. I like to do puzzles, build things, robotics, mountain biking, and roller coasters. The reason I want to be confirmed is because I know it's the right thing to do and I want to be closer to God for a higher chance to get to heaven.

My name is Sarah Robbe and I am a junior at HUHS. I work at Faith and Giggles and I am involved in National Honor Society, H-Club, Math Club, and I play on the varsity volleyball team. I want to receive the Sacrament of Confirmation because I was baptized here at St. Mary of the Hill and I have been a parishioner with my parents ever sense. I take my faith seriously and have been surrounded with it from my family and friends all my life. I would now like to make my full commitment by the Sacrament of Confirmation to continue my journey with God.

My name is Wyatt Stuczynski. I want to be Confirmed because I want to be closer to God. I know that getting Confirmed won't change a whole lot but I feel like it will motivate me to make sure I am at Mass every Sunday, because I do miss a few here and there. Also because I've been going to this class for years so it would be a waste not to. Also, imagine how cool it would be to say "I'm Confirmed."
